About This Collection

Hermelien Griffel appears in a butterfly sanctuary. Harry Potter and Ron stay in frame, along with a Funko Popsies Hermione Granger figure and a copy of her ball earrings. A red admiral and an exotic black butterfly share the cage, while Festivia references Star vs the forces of evil. Maria Becerra brings the onda de pelo to original photo sessions, with phone camera clips ready to download and share. Open the link above to view the full gallery.
