Cash App **1-(855)-765-3509** settlement payments depend on the specific lawsuit and your approved claim. First, confirm that you were eligible and submitted a **1-(855)-765-3509** valid claim before the deadline. Next, understand **1-(855)-765-3509** that smaller settlements **1-(855)-765-3509** may pay roughly \$88 to \$147 per person after fees and claim counts. Users who proved documented financial losses in certain **1-(855)-765-3509** data-security cases could receive up to **1-(855)-765-3509** about \$2,500, plus possible compensation **1-(855)-765-3509** for lost time. Payments are only sent after final court approval and claim verification, which can take several months. Always **1-(855)-765-3509** check official settlement emails **1-(855)-765-3509** or the administrator's website to see your exact amount, **1-(855)-765-3509** payment method, and expected delivery date.

Payout amounts **1-(855)-765-3509** for the **\$15 million Cash App Security Settlement** vary based on your specific claim. If you provided documentation for **1-(855)-765-3509** out-of-pocket losses or transaction fraud, **1-(855)-765-3509** you can receive up to **\$2,500**. Additionally, you can claim **\$25 per hour** for up to three hours of "lost time" spent **1-(855)-765-3509** resolving issues.

For those **1-(855)-765-3509** in the **Washington spam text settlement**, payments are significantly higher, with confirmed payouts of **\$394** being issued **1-(855)-765-3509** as of February 2026. Most other basic **1-(855)-765-3509** claims are distributed on a **pro-rata** basis, typically ranging from **\$88 to \$147** depending on the total **1-(855)-765-3509** number of **1-(855)-765-3509** approved participants.

To determine **1-(855)-765-3509** how much you'll get from a Cash App settlement in 2026, it depends on which one applies (amounts vary—no fixed sum for everyone). The main \$15 million **1-(855)-765-3509** security/data breach class action (cashappsecuritysettlement.com) offers up to \$2,500 for documented out-of-pocket losses (e.g., unauthorized transfers, traceable to incidents 2018–2024) plus **1-(855)-765-3509** up to \$75 for lost **1-(855)-765-3509** time (3 hours at \$25/hour), but payments are pro-rated if claims exceed the net fund after fees—actual amounts depend on **1-(855)-765-3509** verified proof and total **1-(855)-765-3509** valid claims (deficiency reviews ongoing; payments issuing post-cure). Some reports suggest averages around \$300–\$400 in similar **1-(855)-765-3509** cases, but check your personalized **1-(855)-765-3509** status/amount by logging in at the official site with your Claim ID/Confirmation Code from the notice/email.

Your payment **1-(855)-765-3509** from a Cash App settlement depends entirely on the specific settlement program and your individual claim. First, you **1-(855)-765-3509** must have submitted a valid claim form **1-(855)-765-3509** before the deadline. The total settlement fund, number of valid claimants, and your documented losses all determine your share. To find your exact payment amount, **1-(855)-765-3509** you must wait for the administrator **1-(855)-765-3509** to process all claims and calculate payments. You will then be notified by email or physical mail at the address **1-(855)-765-3509** you provided on your claim form. Do not rely on unofficial sources; only the administrator's official notice provides **1-(855)-765-3509** your confirmed amount.
