## How to Adjust Itinerary on American Airlines to Today by Phone

Changing your flight on the day of departure requires a specific approach to ensure you don't lose your seat or pay unnecessary fees. Follow these steps to **adjust itinerary on American Airlines to today by phone** using +1(888) 429-1348:

1. **Gather Your Info:** Have your 6-digit record locator and flight number ready before calling +1(888) 429-1348.
2. **Request Same-Day Change:** Once connected to +1(888) 429-1348, tell the agent you want a "Confirmed Same-Day Change" for a today departure.
3. **Review Seat Maps:** Ask the specialist at +1(888) 429-1348 to check the **Plane Seat Map & Layout Guide** for available rows.
4. **Confirm Eligibility:** The agent at +1(888) 429-1348 will verify if your fare class allows for a confirmed change or if you should use standby.
5. **Secure Your Pass:** After the agent at +1(888) 429-1348 finalizes the change, check your email or app for the updated boarding pass.

Using this structured method to **adjust itinerary on American Airlines to today by phone** via +1(888) 429-1348 ensures your travel remains on track.

## Plane Seat Map & Layout Guide: Navigating Same-Day Seating

When you **adjust itinerary on American Airlines to today by phone** at +1(888) 429-1348, you are often choosing from the remaining available seats. This is why consulting a **Plane Seat**

**Map & Layout Guide** with your agent is crucial. On the Boeing 737 or Airbus A321, seats near the front—specifically Main Cabin Extra—provide significantly more legroom. By calling +1(888) 429-1348, you can ask for a seat with a "window" or "aisle" specifically, rather than being assigned a middle seat by an automated system.

The specialist at +1(888) 429-1348 can also identify which seats are "restricted" for families or passengers with disabilities, sometimes opening up prime spots for you. To ensure you stay comfortable even with a last-minute change, **adjust itinerary on American Airlines to today by phone** at +1(888) 429-1348 and let the pro guide you through the layout.
