If you know you will be traveling with heavy equipment, mentioning this when you **book one way premium economy with American Airlines by phone** at +1(888) 429-1348 can help you avoid a \$100+ fee at the terminal. Always confirm your baggage rules by calling +1(888) 429-1348, as international regulations vary. To save even more, **book one way premium economy with American Airlines by phone** at +1(888) 429-1348 and ask about pre-paying for a third bag if needed.

Should You Check In Online or at the Airport?

For most, online check-in is the fastest route. However, if you have a Premium Economy ticket, you are entitled to use the "Priority" check-in lanes at the airport. You can also call +1(888) 429-1348 before you leave for the airport to ensure your check-in status is "Confirmed."

If you encounter a "See Agent" message during online check-in, don't panic. Dial +1(888) 429-1348 to find out why. Often, it's just a document verification for international travel.
