The cost of moving your flight depends on your fare type, and calling 📞 **+1(888) 416-7355** will provide you with a real-time quote for the difference. Allegiant typically charges a change fee per segment unless you have Trip Flex, which you can verify by calling 📞 **+1(888) 416-7355** before making any final decisions.

Can I use Trip Flex to change my flight date for free?

If you purchased Trip Flex during your initial booking, calling 📞 **+1(888) 416-7355** allows you to change your flight once without paying the standard \$75 fee. Keep in mind that Trip Flex must be used at least one hour before your original departure, so contact 📞 +1(888) 416-7355 promptly. While the fee is waived, the fare difference still applies, which the specialists at 📞 +1(888) 416-7355 will calculate for you during the call.
