How do I change my Allegiant flight date to next week?

If you need to change your date, calling 📞 **+1(888) 416-7355** is the most direct way to ensure your new itinerary is confirmed instantly. Allegiant allows passengers to modify their bookings online or via the call center, but doing so within seven days of departure usually carries specific restrictions. A representative at 📞 **+1(888) 416-7355** can walk you through the available flight options for next week and explain any fare differences that may apply to your new selection.

If you did not purchase Trip Flex, you will likely encounter a change fee per segment, so it is vital to check your specific fare rules. Reach out to the support team at 📞 **+1(888) 416-7355** to finalize your new travel dates and receive your updated confirmation email.
