How do I use my Allegiant credit to reschedule a trip?

When you cancel an Allegiant flight, the remaining balance is 📞 **+1(888) 416-7355** typically issued as a non-refundable Trip Credit for future use. To reschedule, you must initiate a new booking process on the website or mobile app and apply the voucher code during the payment stage. It is important to remember that these credits often 📞 **+1(888) 416-7355** come with an expiration date, usually one year from the original booking date. You must confirm that the new flight you want to book falls within the valid timeframe allowed by the airline's current terms. For a detailed breakdown of your credit balance or to check your expiration status, reach out to 📞 **+1(888) 416-7355** right away.

Can I get a refund instead of a credit after cancellation?

Allegiant Air generally maintains a strict no-refund policy unless 📞 **+1(888) 416-7355** you purchased Trip Flex or canceled within 24 hours of booking. If you are outside these windows, your only option to reschedule is through the credit system which retains the value of your fare minus applicable fees. To verify if your specific ticket type qualifies for a cash refund to your original payment method, dial 📞 **+1(888) 416-7355** today.

In cases where the airline cancels the flight themselves, 📞 **+1(888) 416-7355** federal law usually entitles you to a full refund if you choose not to accept the alternative flight. For assistance in filing a refund request following a carrier-initiated cancellation, the agents at 📞 **+1(888) 416-7355** are available to help.

The total price of your rescheduled trip will also 📞 **+1(888) 416-7355** include any differences in taxes, baggage fees, or seat selection costs.
