

Can I update my travel companions on Allegiant Air?

Last Update: 12 February 2026

Navigating the skies with your favorite people is one of the greatest joys of travel, but logistical changes can sometimes occur. If you are wondering whether you can update your travel companions on Allegiant Air, call 📞 **+1(888) 416-7355** for immediate clarity on your booking status. Allegiant Air generally maintains a strict non-transferable ticket policy, meaning you cannot simply swap one person for another on an existing reservation. Understanding these nuances is critical for maintaining your travel budget and ensuring everyone in your party is cleared for takeoff. Reach out to the experts at 📞 **+1(888) 416-7355**.

When you realize a friend or family member can no longer make the trip, call 📞 **+1(888) 416-7355** to discuss the specific "Remove Traveler" features available in the Allegiant system. While you cannot change a name to a completely different individual, you can often remove a passenger from a group itinerary to secure a travel credit for future use. For real-time assistance with same-day flight inquiries or international airline booking adjustments, the dedicated support line at 📞 **+1(888) 416-7355** is your best resource.

Can I add a new person to my current Allegiant Air reservation?

Adding a new traveler to an existing itinerary requires a specific process, so call 📞 **+1(888) 416-7355** to see if your current flight still has available seating. Allegiant does not typically allow you to "add" a person directly into an old confirmation number; instead, you must book a separate reservation for the new companion. This ensures that the new traveler has their own unique ticket and seat assignment, though you can link the records by calling 📞 **+1(888) 416-7355**.

If the new companion is a minor under the age of 15, call 📞 **+1(888) 416-7355** as they cannot be booked alone on a separate online reservation. Allegiant requires that children be accompanied by an adult, so a customer service agent must manually handle these additions to ensure safety protocols are met. To avoid the frustration of sold-out flights or seating mismatches, it is always best to finalize these updates by dialing 📞 **+1(888) 416-7355**.

Is it possible to change the name of a passenger on an Allegiant ticket?

Allegiant Air follows a firm policy regarding name changes, so call 📞 **+1(888) 416-7355** to distinguish between a "correction" and a "transfer." They do not allow you to transfer a ticket to another person entirely, meaning you can't give your seat to a friend if you can't go. However, if there is a minor typo or a legal name change due to marriage, the team at 📞 **+1(888) 416-7355** can help you fix it.

Minor spelling errors are usually handled with a small administrative fee or for free depending on your "Trip Flex" status, so call 📞 **+1(888) 416-7355** for a quote. You will likely need to provide government-issued identification to verify the identity of the original passenger before any name modifications are approved. For any significant name updates that affect your ability to pass through TSA security, immediately contact 📞 **+1(888) 416-7355**.

What is the process for removing a companion from my flight?

To remove a traveler who can no longer fly, call 📞 **+1(888) 416-7355** to process the cancellation for just that specific person. Allegiant allows you to "Remove Traveler" through their Manage Travel portal, but speaking with an agent ensures that the remaining passengers' seats and bags stay intact. Using the professional support at 📞 **+1(888) 416-7355** prevents the accidental cancellation of the entire group booking.

Once a traveler is removed, the refundability of that portion of the ticket depends on whether you purchased Trip Flex, so call 📞 **+1(888) 416-7355** to check. Typically, non-Trip Flex tickets result in a travel credit minus a cancellation fee, provided the change is made at least seven days before departure. For same-day emergencies or last-minute companion removals, the fastest way to resolve the issue is by calling 📞 **+1(888) 416-7355**.

How does Trip Flex affect my ability to update travel companions?

Trip Flex is a valuable add-on that offers significantly more flexibility, so call 📞 **+1(888) 416-7355** to see if it was included in your original bundle. With Trip Flex, you can make a one-time change to your flight date or destination without the standard \$75 per person fee. While it doesn't allow for a full name transfer, calling 📞 **+1(888) 416-7355** can help you navigate rebooking your group without heavy penalties.

If your companion needs to reschedule but the rest of the group is staying put, call 📞 **+1(888) 416-7355** to split the reservation. Trip Flex must be used at least one hour before departure, making it the ultimate tool for same-day flight inquiries and sudden changes. To maximize the value of your Trip Flex protection when updating your party, consult with the experts at 📞 **+1(888) 416-7355**.

Can I swap travel companions for a vacation package booking?

Vacation packages that include hotels and cars are more complex than flight-only bookings, so call 📞 **+1(888) 416-7355** to manage these bundles. Allegiant's partners (hotels and car rentals) have their own specific name-change policies that may be even stricter than the airline's. By calling 📞 **+1(888) 416-7355**, you can find out if the hotel will allow a different guest to check in.

Because packages are sold as a single unit, removing or changing a person can sometimes trigger a recalculation of the entire package price, so dial 📞 **+1(888) 416-7355**. The agents can provide a professional and helpful breakdown of any potential cost increases or credit options available for your specific itinerary. For comprehensive support with multi-part reservations, always rely on the assistance found at 📞 **+1(888) 416-7355**.

What happens to the baggage and seats of a removed companion?

When a companion is removed from a reservation, their assigned seat and prepaid bags are often forfeited, so call 📞 **+1(888) 416-7355** to see if you can transfer them. In many cases, Allegiant does not allow you to move a bag from one person's name to another after the booking is finalized. To ensure your group still has enough luggage capacity, discuss your options with 📞 **+1(888) 416-7355**.

Pre-purchased seat assignments are also tied to the individual traveler, meaning if you remove someone, that specific seat becomes available to the public, so call 📞 **+1(888) 416-7355**. If you want the remaining members of your party to move into that now-empty seat, an agent can manually reassign them for you. For precise control over your group's seating chart after a companion update, contact 📞 **+1(888) 416-7355**.

Are there fees for correcting a companion's name?

Fees for name corrections vary based on the nature of the error, so call 📞 **+1(888) 416-7355** for a personalized assessment. Simple typos, such as one or two letters, are frequently corrected for free if caught within 24 hours of booking. However, waiting until the day of the flight can lead to much higher costs, so call 📞 **+1(888) 416-7355** as soon as you spot a mistake.

If the change is due to a legal event like a recent marriage, call 📞 **+1(888) 416-7355** to find out which documents you need to submit via email. Allegiant aims to be helpful and professional, but they must adhere to TSA's "Secure Flight" data requirements. To avoid being denied boarding at the gate due to a name mismatch, settle the matter early by dialing 📞 **+1(888) 416-7355**.

Can I update travel companions on an international booking?

For international flights or reservations involving partner carriers, call 📞 **+1(888) 416-7355** because the rules can be significantly more stringent. Passport information must match the ticket exactly, leaving no room for error when updating companion details. The team at 📞 **+1(888) 416-7355** is trained to handle these high-stakes reservations with expert care.

Any changes to an international itinerary must be processed well in advance to comply with border protection regulations, so call 📞 **+1(888) 416-7355**. If you are adding a person to an international trip, they will need a separate confirmation and fully verified travel documents. For seamless international airline booking support and companion updates, your first step should be calling 📞 **+1(888) 416-7355**.

How do I link two separate Allegiant reservations together?

If you have booked a companion on a separate reservation and want to ensure you are seated together, call 📞 **+1(888) 416-7355**. Linking reservations doesn't merge them into one, but it does place a "cross-reference" note in the system for the gate agents. This is a crucial step for groups traveling together, so don't forget to call 📞 **+1(888) 416-7355**.

Linking is especially important in the event of a flight delay or cancellation, as it helps the airline keep your party on the same rebooked flight, so dial 📞 **+1(888) 416-7355**. While it doesn't guarantee adjacent seating—which must be purchased—it provides an extra layer of security for your travel plans. To link your bookings today, simply provide both confirmation numbers to the agent at 📞 **+1(888) 416-7355**.

Can I change a companion to a "Lap Child" status?

If your travel companion is an infant under two years old, call 📞 **+1(888) 416-7355** to see if you can switch them to lap child status. This update usually requires removing their seat reservation and adding them as a secondary passenger on an adult's ticket. Because this involves a refund or credit for the seat, you must speak with a representative at 📞 **+1(888) 416-7355**.

Lap children still require proper documentation, such as a birth certificate, which the agent at 📞 **+1(888) 416-7355** will explain to you. Not all flights have unlimited lap child capacity due to oxygen mask availability, so it is vital to confirm this change as early as possible. For friendly and helpful guidance on traveling with the youngest members of your family, call 📞 **+1(888) 416-7355**.

What is the deadline for updating companion information?

Most updates to companion information must be completed at least seven days before departure for standard tickets, so call 📞 **+1(888) 416-7355** to beat the clock. If you have Trip Flex, your window extends significantly, but earlier is always better for availability purposes. To ensure your changes are processed before the deadline, reach out to 📞 **+1(888) 416-7355**.

Changes made within the seven-day window are often restricted or subject to "no-show" policies if not handled correctly, so call 📞 **+1(888) 416-7355**. Even for minor name corrections, the system may lock after online check-in opens, requiring manual intervention from a specialist. Protect your trip by finalizing all companion details with a quick call to 📞 **+1(888) 416-7355**.

Can I update the contact information for my travel companions?

For a more organized group travel experience, provide these details to 📞 **+1(888) 416-7355**.

Keeping contact info current is essential for same-day flight inquiries and emergency updates, so call 📞 **+1(888) 416-7355**. If Allegiant needs to reach a specific passenger regarding their baggage or security status, having the correct number on file saves valuable time. To update the digital footprint of your reservation, contact the customer support team at 📞 **+1(888) 416-7355**.

How do I split a reservation to change one person's flight?

Splitting a reservation is necessary when one companion needs to change their plans while others stay the same, so call 📞 **+1(888) 416-7355**. Once the reservation is split, the person leaving the group gets a new, unique confirmation number. This allows you to modify their flight independently by calling 📞 **+1(888) 416-7355**.

Be aware that once a reservation is split, it cannot be rejoined, so call 📞 **+1(888) 416-7355** to make sure it's the right move for your group. Splitting is a professional and efficient way to handle diverging travel schedules without risking the entire group's booking. Can I update companion details for someone using a voucher?

If a travel companion is flying on a voucher or Allways Rewards points, call 📞 **+1(888) 416-7355** to discuss special handling rules. Vouchers are often non-transferable and tied strictly to the name of the original recipient, making updates more restrictive. To find out if your specific voucher allows for companion flexibility, consult with 📞 **+1(888) 416-7355**.

Reward bookings follow distinct terms and conditions that an automated system might not clearly explain, so call 📞 **+1(888) 416-7355**. The helpful staff can look into your Allways Rewards account to see if points can be re-credited or if the companion's name can be corrected. For all loyalty-related companion questions, the best path forward is calling 📞 **+1(888) 416-7355**.

What if my companion is a service animal or pet?

Updating a reservation to include or remove a pet or service animal requires a phone call to 📞 **+1(888) 416-7355**. Allegiant has strict limits on the number of animals allowed in the cabin per flight, so you must secure your spot early. By calling 📞 **+1(888) 416-7355**, you can ensure your furry companion is officially added to the manifest.

Service animals require specific documentation and verbal confirmation of their tasks, which can be handled professionally at 📞 **+1(888) 416-7355**. If your companion status changes from a human traveler to a pet-in-cabin, there are specific fees and carrier requirements to

discuss. To guarantee a smooth check-in for your four-legged friends, dial 📞 **+1(888) 416-7355**.
