About This Collection

Wals Roberta poses across twenty sets in this printable collection, each page carrying the LatinBlog style fans recognize. Wals Luana appears in set 89 with forty-five shots, adding variety to the mix. The gallery also pulls in related material from Sabrina and Nikki, plus a few archived threads, so the flow stays steady from start to finish. Roberta works the camera with a pleasant, easy charm that matches the casual energy of the Facebook Hot series. The shoot moves between soft indoor lighting and open teletype backdrops, keeping the mood relaxed. See the full gallery through the link above.
